

350kW Foldable Container for Wastewater Treatment Plants

Overview

What is a containerised portable waste water treatment plant?

A containerised portable waste water treatment plant gives clients the option to relocate it onsite or easily transport it to new sites as necessary. In addition to that, the systems are modular so that they can work together in a variety of combinations effectively dealing with variable waste water volumes to achieve any effluent quality.

What is a Biocell water containerised wastewater treatment plant?

Biocell Water containerised wastewater treatment plants offer a fast and effective above ground portable wastewater treatment system solution for any site, without the need for any existing infrastructure. Containerized mobile treatment systems are ready to use immediately on delivery and cater from 60 persons to 20,000 persons capacity.

What is an intelligent containerised waste water treatment plant?

Intelligent containerised waste water treatment plants are ready to use immediately on delivery. A containerised portable waste water treatment plant gives clients the option to relocate it onsite or easily transport it to new sites as necessary.

What is a clearfox® containerized wastewater treatment plant?

ClearFox® containerized wastewater treatment plants offer a highly cost-efficient solution with low capital and operating expenses, as they require no extensive planning, civil works or permanent buildings. The system only needs to be placed on a solid base and connected.
