# Bangi Household solar System

## Overview

---

Will solar power change life on Banggi Island?

KUDAT: Life for residents of three remote villages on Banggi Island, off here, is set to change for the better thanks to the solar-powered energy system recently installed at their homes.

Who is solar energy Malaysia?

SOLS Energy is the market leader in the segment of the residential solar PV Malaysia. Slash up to 90% from your electricity bill with our high-quality home solar PV systems. Install Solar for your Business with Zero Upfront cost and save up to 75% on TNB Bill.

Where is Pulau Banggi?

AMIDST the blue waters of the South China Sea to the west and the Sulu Sea to the east lies Pulau Banggi, off Sabah — the largest island in Malaysia. The island's setting provides an idyllic haven for its residents.

Are the lights coming on in Pulau Banggi & Pulau Balambangan?

VILLAGERS in Pulau Banggi and Pulau Balambangan near Kudat say they're still waiting for the lights to come on - nearly eight years after a hybrid solar project was launched with the promise of powering their homes. But today, the only thing that's making their nights bright are diesel generators and candles. And even those don't last long.
