

# **Baywa solar energy storage**

## Overview

---

### Who is BayWa?

Join us! We are an international project developer of wind, solar and battery storage (BESS) projects. Our activities include the planning, development and construction of these projects, as well as their operation and maintenance, and energy trading. BayWa r.e. is also a leading global supplier to the solar distribution market.

### Who are BayWa shareholders?

BayWa r.e. is also a leading global supplier to the solar distribution market. In total, we have successfully brought online more than 6 GW of renewable energy. Our shareholders are BayWa AG and Energy Infrastructure Partners. We offer a comprehensive renewable energy portfolio - solar, wind, hydropower and operations management. Check it out!.

### Why should you choose BayWa?

Throughout the Asia-Pacific region, we offer extensive competencies in end-to-end development of solar farms. BayWa r.e. is always striving to make renewable energy better, for now and for the future. We are committed to reaching the highest standards for our customers and trade partners, through any part of a project.
