

FTMRS SOLAR

Cape Verde outdoor communication power supply BESS supplier

Overview

How many Bess facilities does Winpower have in Cabo Verde?

WinPower has been awarded with two contracts for the supply and implementation of four BESS (Battery Energy Storage Facilities) facilities, located in Santiago, Sal, São Vicente and Boa Vista islands, in Cabo Verde.

How to improve power quality in Cabo Verde?

Enhance power quality in Cabo Verde, leveraging the capabilities of this advanced storage technology. The BESS power plants of Santiago and Sal will be located near Cabeólica's windfarms, with energy injected into the 20 kV busbars of each windfarm.

Where will Bess power plants be located?

The BESS power plants of Santiago and Sal will be located near Cabeólica's windfarms, with energy injected into the 20 kV busbars of each windfarm. In São Vicente and Boa Vista, the plants will be built near the thermoelectrical power plants, serving as injection points into the national grid.
