

# **China atess hybrid inverter factory supplier**

## Overview

---

Where is ATESS based?

Based in Shenzhen, China, ATESS has a sophisticated and automated manufacturing plant. An international service network with offices and warehouses has been built in 5 continents to ensure fast shipping and after-sale service. Our product The ATESS solutions include all-in-one hybrid inverters, battery inverters and lithium battery solutions.

What is included in a HPS hybrid inverter?

Includes HPS all in one hybrid inverter (5kw to 150kw) PCS battery inverter (100kw to 630kw) and lithium battery (rack, cabinet or container), 3KW to 300KW EV charger. Our HPS large capacity all-in-one hybrid inverter for commercial application, supporting up to 600KW system capacity.

What types of inverters are available?

Our product The ATESS solutions include all-in-one hybrid inverters, battery inverters and lithium battery solutions. Inverters range from 5 kW up to 1MW, covering both residential, commercial and utility application scenarios.
