

# **China control switchgear in China company**

## Overview

---

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

Who is ABB Xiamen switchgear?

In 1994, ABB Xiamen Switchgear Co., Ltd. was awarded ISO9001 Quality Management Certification, and in 1996, company was awarded ISO14001 Environmental Management Certification. The company won also several important awards, such as “Clean Production Enterprise” and “China National Double-Excellence Foreign-Invested Company”.

Who makes Andeli switchgear?

Andeli Group Co., Ltd. is a prominent manufacturer specializing in both low- and high-voltage electrical devices, including a diverse range of switchgear. The company's commitment to innovation and quality is reflected in its extensive product lineup and numerous international certifications.

What is a switchgear used for?

It includes in one unit two switches that can connect the load to either or both main conductors, and a fusible switch or circuit breaker and switch that feed a distribution transformer. This type of switchgear is used for medium-voltage power distribution, from 7.2kV to about 36kV volts.
