Ess shock absorber price

Overview

Why should you choose a wholesale distributor for shock absorbers?

The Shock Absorbers is a standout piece in our Shock Absorber collection. Relying on a wholesale distributor for shock absorbers offers cost-efficiency, faster procurement, and volume discounts. You can benefit from a wide selection of products and tailor-made solutions to meet your specific requirements.

What is an EFS shock absorber?

The EFS range is under constant development & is put through the harshest tests with competition vehicles. The EFS Shock Absorber will ensure controlled and consistent dampening. It is based on a large body twin tube, low-pressure nitrogen gas design.

How much does a shock absorber cost UK?

The shock absorber costs £52.89 in the UK. Add to basket NK 63251270 Shock Absorber (Product ID: 63251270) - £62.22*. This part is a Gas Pressure Shock Absorber, Suspension Strut type, with a bottom eye, top pin mounting. The net weight is 1.95 kg and it is in new condition.

Are EFS shock absorbers made in Australia?

That's why EFS shock absorbers have been rigorously tested in Australia. Don't be misled, this product is purpose-built, and designed right here. The suspension is not just a Shock Absorber. It is a completely integrated suspension package of Springs, Shocks & other Components.
