# Financing Plan for Ultra-Large Capacity Solar-Powered Containers Used in Subways

## Overview

---

How many container ships will Hapag-Lloyd have in 2024?

The 24 new container ships, ordered in October 2024, will collectively add approximately 312,000 TEU (twenty-foot equivalent units) to Hapag-Lloyd's fleet. These vessels are designed with state-of-the-art liquefied natural gas (LNG) dual-fuel engines, capable of operating on low-emission fuels such as biomethane.

How many TEU is a containership in China?

The green financing has been arranged for 12 ultra-large containerships of 16,800 teu, ordered from China's Yangzijiang Shipbuilding, and 12 mid-sized boxships of 9,200 teu contracted from New Times Shipbuilding.

Does \$4bn of long-term financing for 24 new containerships conform to Green Loan Principles?

The world's fifth-largest containership operator said the \$4bn of long-term financing for 24 new containerships conforms to the Loan Market Association's Green Loan Principles.
