

FTMRS SOLAR

Germany Hamburg solar Insulating Glass Factory

Overview

What makes Isolar ® glass a great insulating glass brand?

Ingenuity and ceaseless efforts to gain a technological edge have made ISOLAR ® GLAS a well-known insulating glass brand for the last 60 years. Consistent customer orientation towards the outside as well as a consistent focus on the needs of the members inside shape the group.

Who is Isolar glass Beratung GmbH?

In addition, ISOLAR GLAS Beratung GmbH is available as the central advisory office of the ISOLAR® Group to help with questions relating to any aspect of glass as a building material.

Who invented Isolar® glass?

Nothing can stand in the way for the success of any business that solves a key problem for its customers better than anyone else. This general experience is impressively confirmed by the life and work of Alfred Arnold, the inventor of the ISOLAR® glass and founder of the ISOLAR® community.

Which float glass is best for solar applications?

Arsenic- and antimony-free extra clear float glass for solar applications. SunMax Premium is exclusively produced in a float glass process. The industrial float glass process adheres to very strict production tolerances and guarantees the lowest possible defect density. Read more about some of our recent selected finished success stories.
