

# **Huijue Aluminum Alloy Battery Energy Storage Container Manufacturer**

## Overview

---

What are Huijue's commercial and industrial energy storage solutions?

Huijue Group's commercial and industrial energy storage solutions offer capacities ranging from 30 kWh to over 30 MWh. These solutions cover most commercial applications, such as electricity cost management, photovoltaic self-consumption, backup power scenarios, microgrids, and off-grid applications.

Who is Huijue group?

We are a professional Manufacturer in China, and we are constantly innovating so that our customers can have better products and services. Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

What are Huijue containers?

Packaged in ISO-certified containers, our Containerized BESS are quickly deployable, reducing installation time and minimizing disruption. Huijue's containers are designed for durability and efficiency, integrating advanced battery technology with smart management systems.

Why should you choose Huijue's containerized Bess?

These turnkey solutions are ideal for industrial and commercial applications, providing reliable energy storage with minimal footprint and maximum flexibility. What are the advantages of Huijue's Containerized BESS over traditional energy storage solutions?
