

FTMRS SOLAR

Hybrid power inverter factory in Bahamas

Overview

Who is auxsol solar inverter?

AUXSOL is committed to creating reliable solar inverter solutions for users, and has been ranked China's top 500 enterprises for many years. As one of China's leading solar inverter manufacturers and solar inverter suppliers, AUXSOL provides photovoltaic system inverters all over the world.

What is a residential solar inverter?

The residential solar inverter solution is mainly composed of PV modules, inverters, grid-connected boxes, and other main components. The residential 3.6-25kW on-grid solar inverter system can adapt to different rooftops. Our residential solar inverters support 4G/WIFI/RS485 communication with the AUXSOL cloud monitoring platform.

Can a residential solar inverter adapt to different rooftops?

The residential 3.6-25kW on-grid solar inverter system can adapt to different rooftops. Our residential solar inverters support 4G/WIFI/RS485 communication with the AUXSOL cloud monitoring platform. AUXSOL residential solar inverter applications can provide users with better household electricity options.
