

FTMRS SOLAR

Irish industrial energy storage cabinet customization company

Overview

What is energy storage Ireland?

Energy Storage Ireland is a representative association of public and private sector organisations who are interested and active in the development of energy storage in Ireland and Northern Ireland. Delivering the energy storage technologies to enable a secure, carbon free electricity system on the island of Ireland by 2035.

Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

What are fabricated industrial storage systems?

Our fabricated industrial storage systems are manufactured to the highest quality standards for efficient and secure storage within your industry sector. Our goal is to provide you with a value-add solution that will help reduce operating costs, increase space optimisation and greater inventory control. Maximizing valuable space.

What products does Glasdon Ireland offer?

From small outdoor electrical cabinets to large walk-in enclosures, Glasdon Ireland can supply high quality products to meet your needs. Contact us today to discuss.
