Large-scale solar power generation system in Bosnia and Herzegovina

Overview

Who is building a 125 MW solar plant in Bosnia & Herzegovina?

Bosnia and Herzegovina has started working on a 125 MW solar plant – its largest to date. China's Norinco International will build the facility, with completion expected in one year. The European Commission has published a call for private companies to invest in the Western Balkans.

Is Bosnia and Herzegovina primed for 'huge' solar development?

Bosnia and Herzegovina's southern region is primed for "huge" utility-scale solar development, Assistant Professor Farooq Sher tells pv magazine. He came to this recent conclusion after two years of researching the Balkan country's current renewable energy capacity and potential.

Is Bosnia and Herzegovina a good place for solar energy?

He came to this recent conclusion after two years of researching the Balkan country's current renewable energy capacity and potential. Farooq Sher, associate professor at Nottingham Trent University, told pv magazine that the southern region of Bosnia and Herzegovina is perfect for large-scale solar rollout.

Which sector produces res energy in Bosnia and Herzegovina?

Production of RES energy in Bosnia and Herzegovina is dominated by the heating and cooling sector, for which an increase from the baseline 867.2 ktoe to 1085.2 ktoe in 2020 was planned. In addition, the share of electric energy sector in production of RES energy in the planned period increases from the baseline 444.2 ktoe to 760.6 ktoe in 2020.

Large-scale solar power generation system in Bosnia and Herzegovina

64 MW Stolac Solarni Park PV plant in BiH begins power generation

Jun 16, 2025 · The largest photovoltaic plant in BiH is Hodovo, with a capacity of 92.5 MW, according to the Independent System Operator in Bosnia and Herzegovina. It is operated by ...

Bosnia & Herzegovina - pv magazine International

Jan 16, 2025 · The system, which also acts as a shading device, can reportedly mitigate drops in power generation efficiency without additional energy consumption.

Large Scale Ground Mount PV Power Plant in South Bosnia ...

Jun 26, 2025 · It is primarily due to the decrease in the price of PV modules. This is case for Bosnia and Herzegovina too where is high interest for investment in PV solar plants today, ...

Bosnia & Herzegovina - pv magazine ...

Jan 16, 2025 · The system, which also acts as a shading device, can reportedly mitigate drops in power generation efficiency without additional ...

Bosnia and Herzegovina poised for solar

Nov 9, 2023 · Farooq Sher, associate professor at Nottingham Trent University, told pv magazine that the southern region of Bosnia and Herzegovina is perfect for large-scale solar rollout. But ...

Bosnia solar power: Stunning 60 MW Plant Announced

Nov 15, 2025 · The Republic of Srpska is set to enhance its energy infrastructure with the construction of a 60 MW solar power plant in Nevesinje, Bosnia and Herzegovina.

64 MW Stolac Solarni Park PV plant in BiH ...

Jun 16, 2025 · The largest photovoltaic plant in BiH is Hodovo, with a capacity of 92.5 MW, according to the Independent System Operator in ...

Large Scale Ground Mount PV Power Plant in South Bosnia and Herzegovina

Jun 26, 2025 · Renewable energy sources (RES) penetrate rapidly in power systems. It is primarily referred to photovoltaic (PV) power plants and wind turbines. Today PV power plants ...

Arctech Wins a 125MW Solar Project in Bosnia and Herzegovina

Jan 15, 2025 · Bosnia and Herzegovina, situated in Southeastern Europe, receives an average annual solar radiation of approximately 1,500 kWh/m², offering substantial potential for the ...

Large-scale solar power generation system in Bosnia and Herzegovina

Bosnia and Herzegovina has started working on a 125 MW solar plant - its largest to date. China's Norinco International will build the facility, with completion expected in one year. The ...

Bosnia and Herzegovina poised for solar

Nov 9, 2023 · Farooq Sher, associate professor at Nottingham Trent University, told pv magazine that the southern region of Bosnia and ...

Large Scale Ground Mount PV Power Plant in South Bosnia ...

Jun 26, 2025 · PV power plants became financially available in the last period regarding construction for wide spectra of investors due to low investment costs. It is primarily due to the ...

Solar of grid system Bosnia and Herzegovina

This Bosnia and Herzegovina Solar Production Report provides comprehensive insights into the statistics and developments of the solar energy industry in Bosnia and Herzegovina.
