

# Latest Price Quote for 120kW Folding Container for Airport Use

## Overview

---

Are 40' containers more expensive than 20' containers?

The prices of 40' containers aren't necessarily twice that of 20' containers. Hence, for clarity, it is crucial to mention the costs of the two container types separately. GoComet offers a free freight rate comparison tool that shows the lowest international shipping prices offered by vendors for a selected port pair.

What is the container shipping rate calculator?

Our Container Shipping Rate Calculator allows you to get real-time, accurate quotes for shipping containers to international destinations. Whether you are shipping a 20-foot or 40-foot container, you can compare rates and select the most economical option based on your cargo size, destination, and shipment type.

How much does a 40 ft container cost?

Now, if you need a brand new 40ft container, you may part with \$1,500 to \$4,000. The 40ft high cube container will set you back anywhere from \$2,000 to \$6,000. A new container, with its fresh-off-the-factory-floor feel, naturally costs more than its seasoned counterparts.

Why should you buy a folding shipping container?

Upgrade your Prefabricated Building with the elegant and durable Folding Shipping Container. Purchasing prefabricated building products wholesale brings cost savings, bulk purchasing discounts, and streamlined supply chains. Wholesale suppliers offer customization options and consistent quality assurance.
