# Long-term bulk purchase of Seychelles photovoltaic container

## Overview

---

Why is Qair launching a floating solar plant in Seychelles?

The floating solar plant to be developed by Qair is a key part of Seychelles' energy transition and a significant milestone in the country's efforts to achieve carbon neutrality.

Why did Seychelles sign the PPA on Energy Observer?

The signing of the PPA on Energy Observer, a vessel that showcases the potential of renewable energy, underscores Seychelles' commitment to sustainability and its leadership in the fight against climate change.

Who signed the first Power Purchase Agreement in Seychelles?

Eden Island, Republic of Seychelles – April 4, 2023 – Independent renewable power producer Qair and PUC, the Republic of Seychelles' Public Utilities Corporation, have signed yesterday the first Power Purchase Agreement (PPA) in the history of the Seychelles.
