Overview

How did New Zealand support Niue's battery energy storage system?

In addition to Australia's support, the New Zealand Government contributed \$2.5 million to relocate and restore Niue's Battery Energy Storage System (BESS). This funding has allowed the Ministry to repair the grid control system, procure necessary fuel tanks, and install cabling and connections.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, "The construction of this new power station is a vital piece of infrastructure for Niue's development and well-being. This achievement would not have been possible without the support of our regional partners."
