

# Nouakchott Silent Container Generator Company

## Overview

---

Does dingbo provide a container generator without soundproof function?

Dingbo provides standard container generator without soundproof function and container silent generator set. The feature as below: 1. Design and manufacture as per the international standard container, i.e.:20 feet for 1000KVA or less and 40 feet for 1250KVA or above. 2.

What is a silent container?

The silent container is made by high performance and anti-ageing, flame retarding, sound insulation and damping materials, with unique and elaborate design for air intake, outlet and noise reduction device. Optional parts: auto fuel feed pump (or control valve), cooling liquid feed pump, dual oil-water separator, auto parallel system, etc.

Are CPs generator containers controlled by DSE?

Our generators are coupled with Mecc Alte, Stamford, or Leroy Somer alternators and controlled via DSE or ComAp control panels to ensure top-notch performance. Why Choose CPS Generator Containers?
