# Polish flow battery wholesale

## Overview

---

Who is baltrade battery distributor in Poland?

Baltrade is a leading battery distributor in Poland. We offer a wide range of batteries, rechargeable batteries, chargers, light sources, flash lights and electronics. Baltrade has grown to become recognizable and appreciated company in battery business on Polish market. Our company has been awarded by the Forbes in 2014 and 2015.

What factors affect the battery industry in Poland?

When exploring the battery industry in Poland, several key considerations come into play. First, the regulatory environment is crucial, as the European Union has set stringent regulations regarding battery production and recycling to promote sustainability and reduce environmental impact.

Who makes lithium ion batteries?

A significant milestone was receiving Panasonic's authorization to produce lithium-ion battery packs, making it the first company in Central and Eastern Europe to achieve this. The company is a leading manufacturer of power supply solutions for industrial devices, prominently featuring Li-FePO4 accumulators. [Previous](#) [Next](#).

What kind of batteries does baltrade sell?

Based on the gained experience, Baltrade has launched its own brand, everActive. It includes high-quality products, such as alkaline and specialized batteries, new generation Ni-MH rechargeable batteries, rechargeable Li-ion batteries, hearing aid batteries, professional chargers, LED flashlights, as well as smartphone accessories and powerbanks.
