

# **Porto Novo Island Solar Air Conditioning**

## Overview

---

Can solar panels generate electricity in Portugal?

Photovoltaic - Solar Panels to Generate Electricity Portugal - like the rest of Europe - provides micro-generation grants and great returns for installing photovoltaic panels to generate electricity and selling it back to the grid.

Who is Algarve air & solar?

Trusted by over 10,000 Algarve homeowners for fast, reliable air con and solar repairs — with same-day service when breakdowns strike. At Algarve Air & Solar, our mission is to provide affordable and reliable Aircon services to our customers. We strive to exceed expectations by delivering quality workmanship and exceptional customer service.

Does solar heat hot water in the Algarve?

Solar Domestic Water Heating Using solar to heat your hot water is the easiest and most cost effective way to save money on your energy bills. With the amount of sun we have in the Algarve and some solar panel solutions lasting 20 years or more it makes too much commercial sense to ignore.
