

# **Power generation equipment container house wholesale**

## Overview

---

What is E-House container?

E-House Container is a prefabricated walk-in modular steel structure outdoor box that can accommodate medium voltage (MV) and low voltage (LV) switchgear and auxiliary equipment. It is often called PowerHouse or Power Distribution Center. It is an efficient and mobile electrical solution designed to reduce on-site construction and deploy quickly.

Who is Shanghai Electric Power Generation group?

For more than 60 years, Shanghai Electric Power Generation Group has been fully dedicated to improving energy production efficiency of thermal, nuclear, wind, and solar energy, which has formed the most complete product lines in production, conversion, storage, transmission and electric power quality management of renewable energy.

How many units can a container house build a month?

Over 1,000 units/month—ideal for container house manufacturers, wholesalers, and government procurement. We provide CIF/DDP options, layout drawings, and install videos to support global buyers. All homes meet international standards and can be customized to local building codes.

Where can I buy a container house?

From Southeast Asia to the Middle East, Yichen is known as one of the most reliable container house manufacturers. Whether you need to buy container houses from China, or partner with expert custom container builders, we've got your back—every step of the way. Compact and stylish, ideal for temporary or private modular use.
