.

### Where can I buy Chinese power station generator products?

Made-in-China.com is a B2B platform for global buyers to source Chinese Power Station Generator products and Chinese Power Station Generator manufacturers. You can send your questions like minimum quantity to our suppliers by clicking the red button "Contact Now". Many of our suppliers' products are flexible and sometimes only 1 is needed.

### What is a diesel generator set?

A diesel generator set, also known as a genset, is a compact and self-contained unit that consists of a diesel engine, an alternator, a fuel system, and a control system. The purpose of a diesel generator is to generate electrical power whenever there is a power outage or in places where there is no access to the main electrical grid.
