Rooftop terrace solar glass sun room

Overview

Can a sunroom be a retractable roof?

where you can see the beauty of every season through the glass of your Sunroom. The glass roof can be stationary or retractable. The Sunroom is a watertight system that can protect you from harsh weather. “Our guests love it. The skylight extension has become the favorite part of the event venue.” Other RAL colors and wood finishes are available.

Do you need a sunroom with a glass roof?

You don’t even have to go out into the backyard when you have a sunroom with a glass roof. Instead you can relax in comfort while you watch the stars pass overhead. These sunrooms are easy to install, and you can seamlessly add them onto existing structures. These rooms let you get “out” into nature while being protected from the elements.

Are sunrooms just for homeowners?

Sunrooms aren’t just for homeowners either! Businesses can cover their patio areas and offer an “outdoor” event space no matter what the weather. You can easily add a sunroom to your porch or deck, and we can work with you to create the perfect sunroom. As you can see here, you can still have an outdoor space in addition to your sunroom.
