## Overview

---

What do people say about solar installation services in San Jose?

See more solar companies in San Jose. What are some popular services for solar installation?

What are people saying about solar installation services in San Jose, CA?

"Did the install in 2021. Very smooth and zero hassle. Price was in range with other top rated providers. Ali was very helpful throughout the process.

Who is the best solar company in San Jose?

Here are the top companies we recommend for solar in San Jose: Hooked On Solar is a family-owned business founded by a father and son with over 40 years of experience, a shared passion for sustainable energy and a commitment to quality service. With deep roots in California, we have proudly completed over 10,000 solar i.

What are the best Solar Lease companies in San Jose?

Plus, SunPower guarantees the energy output from the system you lease, which is an additional protection that other companies don't always provide. Sunrun is another big name you'll likely come across when researching solar leases in San Jose.

How much does solar cost in San Jose?

The cost per watt makes it easier to compare prices between quotes and gives you a better idea of how fairly the system is priced. The average price of solar is about \$2.14 to \$3.22 per watt in San Jose, so anything in that range is a fair price.
