

Singapore Industrial and Commercial Energy Storage Cabinet Customized Manufacturer

Overview

Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.

What is Singapore's solar energy system (ESS)?

Built across two sites on Jurong Island, our ESS enhances Singapore's grid resilience by mitigating the impact of solar intermittency as the republic progresses towards achieving its 2030 solar target of at least 2GWp and energy storage systems deployment of 200MWh beyond 2025.

What is Sembcorp energy storage system?

The Sembcorp Energy Storage System was launched in 2023. Commissioned in six months, the 285MWh system was Southeast Asia's largest ESS and the fastest in the world of its size to be deployed.
