Slovenia energy storage container customization

Overview

Does Slovenia have gas storage facilities?

Slovenia does not have gas storage facilities, and is dependent on infrastructure in Austria and Croatia. Slovenia has expressed interest in securing U.S. LNG sources via terminals in Krk, Croatia, or Rovigo, Italy, to diversify its supply. Beginning in 2027, Geoplin booked additional capacity to acquire LNG from the Krk terminal.

Who is the company Container?

The company Container, d.o.o. was founded in 1998 and it continues the long-time tradition of making the containers. The company is constantly modernising the technological equipment thus being able to meet the market requirements. The company started with the production of municipal programme in the period from 1973 to 2005.

Are transport containers a game between kilograms and durability?

The development of transport containers is the game between kilograms and durability. We are aware of the fact that only containers with low weight, high durability and long lifetime are competitive on the market. By use of computer simulations. Read more
