

FTMRS SOLAR

# Smart portable power supply manufacturer in Chiang Mai Thailand

## Overview

---

Why should a company choose Thailand for electronic manufacturing?

With electronic, mechanical, plastic and cable manufacturing all taking place in-house, we offer a simplified, reliable source of box build manufacturing. As industries increasingly require electronic production, more and more companies are looking to Thailand as their primary choice for electronic manufacturing.

Does Delta Thailand manufacture EV chargers?

Besides the main OEM/ODM manufacturing business, Delta Thailand is expanding its solution businesses in the region including EV chargers, industrial automation, data center infrastructure, and smart energy management. If playback doesn't begin shortly, try restarting your device.
