Southeast Asia container cooling generator

Overview

What is a containerized genset?

Most containerized gensets come equipped with built-in silencers and soundproof insulation, which reduces noise to acceptable levels for urban or commercial use. Containerized gensets are often designed for “plug-and-play” operation, allowing rapid setup and start-up. This is especially useful in emergency or disaster relief situations.

Who is Cooltech Power International Pte Ltd?

Welcome to Cooltech Power International Pte Ltd, a Singapore based company which is a 100% subsidiary owned by Shanghai Cooltech Power Co., Ltd, home of power generation technology. The Cool Power brand is manufactured to meet the quality required for the export market of Asia-Pacific, Europe, Middle East and America.
