Switchgear equipment in China in London

Overview

Who are switchgear manufacturers?

Established in 1985, we work across a wide variety of sectors and proudly support some of the world's largest blue-chip companies. We're UK Switchgear Manufacturers with dedicated in-house design and manufacturing teams, specialising in bespoke Low and Medium voltage products.

Who is power engineering & switchgear?

Recognised as a leading provider of electrical switchgear and power engineering solutions for the marine, oil & gas, healthcare, education, transport, defence and energy sectors, we combine technical expertise with cutting-edge technology to provide high quality solutions for critical power applications.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

What is switchgear & how does it work?

Switchgear protects electrical equipment and circuits from damage caused by overcurrent, voltage spikes and other faults in the system. Our goal at DOHO is to be complete solutions provider for all your switchgear product needs.
