

Uzbekistan Uninterruptible Power Supply BESS

Overview

Does Voltalia have a Bess project in Uzbekistan?

Voltalia has also signed two partnership agreements to deploy BESS in Uzbekistan. The first will extend the Sarimay project with a 50MW/100MWh BESS, the sales contract for which is expected to be signed in summer 2024.

Will Voltalia build a 126MW solar PV project in Uzbekistan?

Voltalia has started building a 126MW solar PV project in Uzbekistan, to which it will add a 100MWh BESS with plans to build one 10x larger.

Why did Voltalia sign a second deal with Uzbekistan?

Voltalia signed an expansion deal for the Sarimay site in November 2023 during French President Macron's visit to Uzbekistan, as reported last year. The second deal will pursue the development of a 500MW/1,000MWh BESS complex.
