

# Wholesale 1600 amp switchgear in Netherlands

## Overview

---

Who is SGC – switchgear company?

SGC is an independent manufacturer of medium voltage switchgear solutions worldwide. We have more than 45 years worth of experience in the development and production of medium voltage cubicles from 1 kV to 24 kV, for both indoor and outdoor applications. SGC – SwitchGear Company provides reliable products for electrical distribution applications.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one foot away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.

What factors influence the electrical supply industry in the Netherlands?

When exploring the Electrical Supply industry in the Netherlands, several key considerations emerge. The country boasts a strong commitment to sustainability and renewable energy, which significantly influences market dynamics.

Why is the Netherlands a good place to invest in electrical supply?

The global market relevance is also noteworthy, as the Netherlands serves as a gateway to Europe, making it an attractive hub for international companies in the electrical supply sector.
