

Wholesale 300wh power station in Pretoria

Overview

Where can I buy a portable power station in South Africa?

Takealot is your top choice in South Africa for purchasing portable power stations from EcoFlow. EcoFlow's products are available at Takealot at excellent prices and are the best way to keep the lights on and your appliances powered - no matter the load-shedding stage.

Why should you buy a magneto 300W portable power station?

Life keeps on going even when the power goes off! The Magneto 300W Portable Power Station ensures you can continue with your daily activities no matter what your electricity-supply situation is. It is the perfect loadshedding backup power solution for homes, offices, and the outdoors!.

What devices are compatible with the 300W portable power station?

'What devices are compatible?

', you ask. The 300W Portable Power Station can charge or run any device that uses less than 300 Watts of power.

How do I charge my portable power station?

Power up all your must-have household devices by simply charging your power station via an AC wall outlet, 100-watt USB-C port, 60 to 120-watt solar panels (not included), or even on-the-go in your car, with the 12-Volt car port. 6009710607893 Do not power devices with the Portable Power Station while it is charging.
