Overview

Who is custom built switchgear solutions?

In our long-term experience we have redefined a new benchmark for Customized Switchgear Solutions and our projects serve as a barometer for our profile in the Greek market. We design and manufacture custom built low and medium Voltage Switchgear using top quality Electrical Equipment from Established Suppliers.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one feet away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.
