

FTMRS SOLAR

Wholesale 600w solar inverter in Auckland

Overview

Who are NZ solar installers?

Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems — all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust — so your installs are faster, easier, and more profitable.

What types of solar inverters are available in NZ?

There are different types of inverter available. This includes inverters that can connect to the electricity grid based on your home's connection. One of the most common types of solar inverter in use in NZ, however, is the hybrid inverter.

Who are New Zealand & Australia's leading wholesalers?

New Zealand and Australia's leading wholesaler of solar, energy storage, EV chargers and home automation equipment for homes and businesses.

What is a PW600 inverter?

Excludes DG or bulk items (flooded or large lead acid batteries, large panels and generators). Providing 600w of continuous power, the Projecta PW600 is an excellent mid-level Pure Sine Wave inverter. Capable of being permanently installed close to battery and power system and monitored with remote module (sold separately).
